

P.T.G. RECAP from April 14th, 2008

Pastor Biga opened with Jeremiah 29:11 – “God has a plan for our lives!”

Principal Hein’s Report

- ❖ The P.T.G. picnic was again a huge success! Thanks to all who helped!
- ❖ Including matching funds from Thrivent, \$2,035.60 was raised – so we will be able to purchase a data projector and a Smart board for the 5th grade room, and another portable Smart board.* (* some funding will come from SCRIP for this.)
- ❖ The Voters’ Assembly decided to fill the 7th grade vacancy with a one-year emergency call, unless a synod-certified candidate can be found locally.
- ❖ The extra-curricular duties that the instructor can’t handle will be divided among the other faculty members.
- ❖ SPL adopted “Power School” for 2008-2009. This is a web-based information system, providing things such as daily/weekly grades to parents. Mr. Matt Groth will be trained on this; and in turn, will instruct the faculty.
- ❖ The 8th grade class play, “Jack and Beanstalk”, will be Tuesday, April 29th, at 7:00 p.m.
- ❖ The Area Lutheran Music Festival will be Friday, April 25th, at Bethlehem Lutheran School and Church. There will still be a full day of classes that day.
- ❖ Go Wildcats! Our track team is preparing for its season under the watchful eyes of Coaches Nancy Borchard, Leanne Prange, Matt Groth and some volunteer helpers.
- ❖ Our Boys A-team Basketball players were invited to a State Tournament (Lutheran League). They achieved 2nd place in the state! Congratulations team and coach!
- ❖ Mr. Ron Sosinski, after 33 years of faithful service at St. Paul’s Lutheran School, is retiring. We thank the Lord for his work and wish him God’s richest blessings on his future. We are looking for a way to give the members of St. Paul’s an opportunity to say “thank you” to “Mr. S.”.
